North on Woodman Ave., which becomes Harshman Rd. after passing Airway Rd (also called Col. Glenn Highway). Take the right ramp to Springfield St., turn left and go under the Harshman Rd. overpass, past the traffic light and turn left into either the driveway that is just past the light or the road that comes up afterwards. The 5100 building is west of the other two buildings, which is the right-most building seen from Springfield St.

A map will be available soon.
